| 54100005 | PVC doek B7119/7193 (630 gr/m ²) grijs 0,5 mm | 2.500 | 65.000 |

We provide product information as known by us with great care. We cannot accept any liability for errors and/or inaccuracies and/or incompleteness. Please note that our products are intended for professional use only. For high impact applications and/or combinations of limit values we always recommend to have the properties specific to that situation verified by us. If there are multiple specifications for a product we will use the standard of 2mm or the closest specification.
